

2017 ANNUAL REPORT

Sleepy Hollow Police Department

**PRESENTED BY:
JAMES R. LINANE
CHIEF OF POLICE**

Village of Sleepy Hollow

Inter-Departmental Memo

TO: Stephan Pickett, Village President

FROM: Chief James R. Linane

DATE: March 19, 2018

RE: 2017 Annual Report

On behalf of the men and women of the Sleepy Hollow Police Department, I am honored to present our 2017 Annual Report. The information provided throughout this document includes trends in crimes, enforcement and traffic crashes, police programs and partnerships, as well as the year's highlights

I am providing to you, the statistical information that I regularly review to assist me in identifying the law enforcement needs of our community and the needs of the Sleepy Hollow Police Department, in an effort to provide the best possible service to our residents and businesses.

It is my sincere hope, that after reviewing this report, you will recognize the trends that are taking place in our community and the efforts of the police department, so we can continue to provide those services and maintain a safe and peaceful environment for our residents.

The citizens of the Village of Sleepy Hollow should be very proud of the accomplishments of our highly trained, experienced staff and the dedication and support they have shown towards department initiatives. There are many examples of the fine work performed by our officers and their commitment to the goals of the department, especially in the area of public safety, community partnership, customer service, and professionalism. I believe we continue to make significant progress towards organizational change that will prepare the department to meet the needs of the Village of Sleepy Hollow for years to come.

In 2017, the statistics attest to the fact that Sleepy Hollow is still one of the safest communities in the nation, state and county. The validity of this statement is reflected by the preliminary statistics for 2017. Sleepy Hollow had a total of 10 Part 1 Crimes in 2017 which is the same as calendar year 2016. The Crime Index is based on the number of Part 1 Crimes reported per 100,000 population. Using the census data conducted in 2012 that reflected a population of 3,312; and factoring in the actual 10 Part 1 Crimes that occurred in 2017, there was no increase in Part 1 Crimes over 2016. For the year 2017, our index is 3.3 Part 1 crimes per 1,000 population. Of the 10 Part 1 Crimes reported, only one was classified as a Violent Crime.

As a police department, we continually look to the future, recognizing that, like crime rates and statistics, the community makeup, issues and concerns will change and we need to be prepared for them. The better we can foresee the future, the better prepared we are and hopefully encounter fewer

problems. This preparation includes the continual need to address management, supervision, staffing, training, facilities, safety, and equipment concerns.

During 2017, the department made a number of improvements. Some of the major projects and/or improvements were:

- Continued revising the Policy and Procedure Manual.
- Increased training for officers in areas of specialty and interests.
- Participated in the Illinois Department of Transportation Selective Traffic Enforcement Grant Program. This program primarily targets Driving Under the Influence, Seatbelt and Speed violations during selected holiday periods.
- Expanded the Code Enforcement Program

I am very pleased with improvements and changes that have already taken place, the ones in progress and the anticipated ones yet to come. The strength of any organization is in its personnel, and I'm proud of the efforts and changes that the personnel within the Sleepy Hollow Police Department already have made during this past year.

We are extremely grateful for the unwavering and continued support we receive from you, the Village Board, and our community. Thank you for providing us with the resources we need to continue providing the police services that we do.

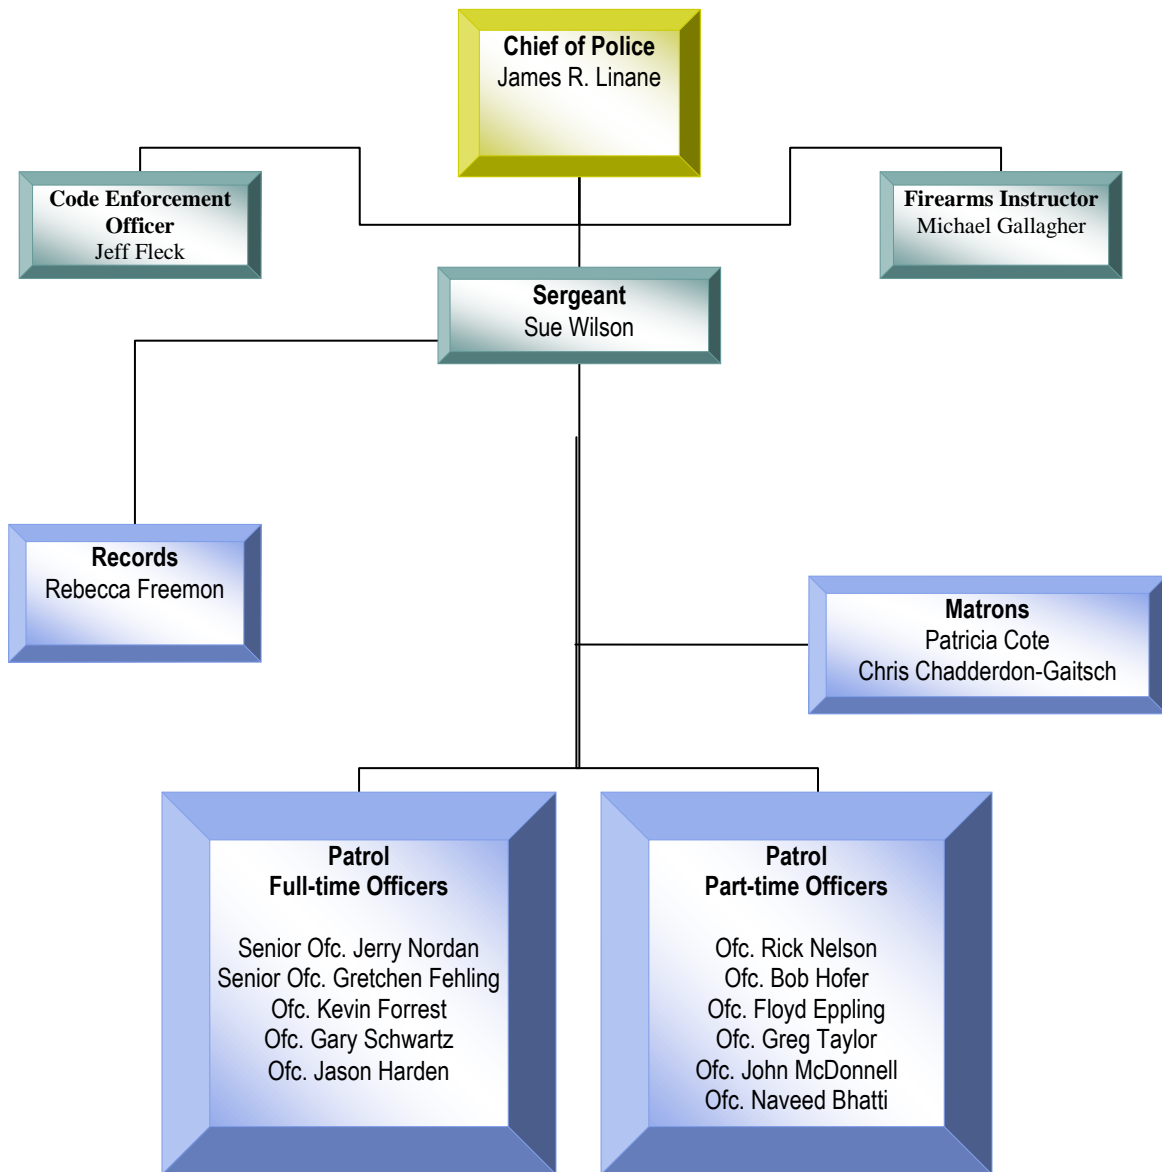

My personnel and I look forward to serving the Village President, Village Board, and the community in the year ahead. We will continue to provide the best possible police service to our growing community.

James R. Linane
Chief of Police

Crime Statistics

The department continues to be proactive in follow up investigations, analyzing crime patterns, and keeping the street officers updated with crime trend information. The Sleepy Hollow Police Department is a member of the Kane County Major Crimes Task Force through the Kane County Chiefs of Police, Northwest Police Academy, Fox Valley and Illinois Juvenile Assn., ILEAS and we participate in other regional investigative and Task Force Groups. The department continues to maintain a proactive Neighborhood Watch Program to protect residents and businesses from crime opportunities.

Police Departments in Illinois are mandated to report certain crimes, known as Part 1 Index Crimes, to the Illinois State Police for crime analysis purposes. Part 1 Index Crimes include murder, criminal sexual assault, robbery, aggravated assault/battery, burglary, theft, motor vehicle theft, and arson.

In 2017, there was no change in the Sleepy Hollow Crime Index compared to 2016. Sleepy Hollow still maintains one of the lowest crime rates in the nation, state and county.

Following are the statistics for serious crime index offenses for 2011-2017.

Sleepy Hollow Crime Statistics

<u>Index Crimes</u>	<u>2011</u>	<u>2012</u>	<u>2013</u>	<u>2014</u>	<u>2015</u>	<u>2016</u>	<u>2017</u>	<u>% Change 2016-2017</u>

Total	34	34	41	18	12	10	10	

In 2017, there were 10 Part 1 crimes committed per 1,000 residents; while in 2016, there were also 10 Part 1 crimes per 1,000 residents. Based on the raw serious crime numbers, the Village of Sleepy Hollow still rates very low in UCR Part 1 Index crimes when compared to other nationally, regionally and locally published statistics.

Another method of comparison is to compare Sleepy Hollow's average statistics with the National Crime Clock published by the U.S. Dept of Justice. According to the U.S. Dept. of Justice (2016), a violent crime (Homicide, Criminal Sexual Assault, Robbery, and Aggravated Assault/Battery) occurred every 25.3 seconds in the United States. However in Sleepy Hollow, violent crime occurred during once every 365 days.

Property crimes (Burglary, Theft, and Motor Vehicle Theft) occur every 4.0 seconds in the United States. However in Sleepy Hollow, a property crime occurs once every 40.55 days.

Major Crime Incidents Investigated

Fortunately, there were was only one serious violent crime in 2017 which is reflected in the actual increase in the violent crime rate from 2016.

Traffic

The Department facilitates the safe movement of motor vehicles and pedestrians through traffic control and enforcement, as well as education. Traffic enforcement promotes the safety of motorists and pedestrians. The Village's overall relatively low traffic crash record can be attributed to the department's efforts in promoting traffic safety through traffic law enforcement and education.

Another valuable (and intangible) result of traffic enforcement is its deterrent effect on criminal activity. Studies show that high police visibility and omnipresence helps deter other crime. As one can see from an overall view of the crime statistics, Sleepy Hollow's crime rate is relatively low and we believe that the department's high visibility in the community and the traffic enforcement program has been an important factor in maintaining this overall low crime rate.

Traffic Accidents

There was an overall 30.4% increase in traffic crashes during 2017 as compared to 2016. Averaging the previous five years accident rate of 80.2 traffic crashes per year with 2017, there has been an overall 24.3% increase in traffic crashes. During 2017, 49.5% of all traffic crashes handled by the Sleepy Hollow Police Department occurred in the .85 mile stretch of Randall Road, that includes three major intersections. This is an increase from 2016 when the percentage was 45.6%.

Of all types of crashes reported in 2017, the results reflect:

- Thursday as the most common day
- Most frequent hour of traffic crashes being 5-6 pm followed by 7-8 am

During 2017, the five most dangerous intersections for traffic crashes in Sleepy Hollow were:

1. Randall/Saddle Club(Auto Mall) – 14
2. 15N440 Randall – 11 (At or near)
3. Randall/Joy - 10
4. Randall/Technology – 9
5. Route 72/Rainbow – 7

Programs

Special Olympics

During 2017, the Sleepy Hollow Police Department raised \$9,172.00, earning the Department a plaque from the Special Olympics Illinois Committee. The Department members participated in several fundraising raffle events. A special "Thank You" is due to Police Department Matron Christine Gaitsch, for her tireless efforts, as our coordinator, in achieving the success we had in 2017. Special mention needs to go to Ofc. Jeff Fleck, Ofc. John McDonnell and Matron Pat Cote for their efforts during the year.

During 2017, the department participated in "Cop on the Rooftop", "Tip-a-Cop, the 7th annual "Corn Roast for Special Olympics", "Randy's October Fall Fest", 4th of July Snow cone Booth, Cookie Fundraiser, and the ongoing sale of T-shirts, Hats, Pins, and Raffle tickets. In 2018, these fund raising events will again be "front and center" along some new ideas.

This years target is to get back on track! Welcoming Corporal Gary Schwartz and his wife on board and with the continued support of members of the Sleepy Hollow Department, Residents, Trustees, Service Club and Village Employees, a lofty goal of \$15,000.00+ is set for 2018.

Too Good For Drugs

Too Good for Drugs, is a cooperative program between the Sleepy Hollow Elementary School and the Sleepy Hollow Police Department. A specially trained police officer, Sergeant Sue Wilson, instructs fifth graders on how to make good choices pertaining to drugs and peer pressure. The program is conducted once a week at the school, and lasts between 8 and 12 weeks. At the end of the program there is a graduation ceremony.

Traffic Safety Grants (STEP)

The Illinois Division of Transportation Safety disseminates federal funds for local communities and state agencies to conduct highway safety counter-measures aimed at reducing highway crashes and resulting deaths, injuries, and property damage. Highway Safety Program Grants are designed to help state agencies, counties, and communities initiate programs to address traffic safety related problems and generally to promote traffic safety on our roadways.

The Sleepy Hollow Police Department participates in the Illinois Department of Transportation Selective Traffic Enforcement Grant Program and is administered by Senior Patrol Officer Jerry Nordan. This program targets primarily Driving Under the Influence, Seatbelt and Speed violations during selected holiday periods using off-duty officers on hire back status. The salary of these officers is reimbursed back to the Village of Sleepy Hollow through this grant, thereby no expense to the village. The benefits of participating in this grant are the increased traffic patrol, omnipresence and the ability to correct bad driving behavior.

Peer Jury Program

The Peer Jury Program was started seventeen years ago and involved police departments within Dundee Township. The program gives first time, non-violent juvenile offenders a second chance to avoid having a juvenile conviction record by going through the Peer Jury process.

The program is designed to provide a meaningful and remedial method of dealing with selected juvenile (Under age 18) offenders without reference to the Juvenile Court. It does not determine guilt or innocence. A case is sent to the Peer Jury for hearing by the a jury of six (6) and an adult moderator when

1. The offender admits having committed the offense;
2. The responsible police officer determines that such a disposition is appropriate; and
3. The offender and his/her parent or guardian consent in writing to such a disposition and sign a Waiver of Liability and Confidentiality.

When these conditions are met, the offender and his/her parent or guardian is scheduled for a hearing before the Peer Jury panel at the Carpentersville courtroom at a definite date and time. At the hearing, a police officer reads the charges, states the possible sentence, if the offense was committed by an adult, and summarizes the facts of the case. The offender is then questioned by members of the panel. The offender and his/her parent or guardian then withdraws while the jury deliberates and fixes an appropriate punishment. The sentence usually includes some form of individualized community service.

The offender and his/her parent or guardian are then recalled and informed of the sentence. Adjustments, if necessary, are made to allow schedule conflicts and a completion date fixed. The offender is then given a written copy of the sentence and date (usually 30 days later) for a discharge hearing. The offender then performs the assigned tasks.

The performance is monitored by the Peer Jury Coordinator who is available to the offender in case any problems arise and may contact the offender if necessary.

Upon completion of community service, a report on the offender's performance is forwarded to the Peer Jury Coordinator by the offender's supervisor for the service project and any other assigned projects are turned into the coordinator.

At the discharge hearing, the offender and his/her parent or guardian appears again. The panel, which may or not be the sentencing panel, reviews the offender's performance and questions the offender about his/her experiences while performing the sentence. If satisfactory, the offender is discharged. If the performance is incomplete or unsatisfactory, the discharge hearing maybe continued or the offender remanded to the juvenile officer for appropriate court proceedings.

Village ordinance violators cannot be sent to regular juvenile court and must be directed to Local Court. The peer jury system has seen many juveniles during the numerous years of existence.

Neighborhood Watch

Neighborhood Watch is a program that has been established to help residents help their police department. The program is designed to have a Sleepy Hollow police officer coordinate citizens in different local neighborhoods into neighborhood watch groups with each group having a Captain. The Captain then works with the police officer in an exchange of information that would provide an informational link to what is going on in the neighborhoods in a timely and informative manner.

The importance of the Captain's duties in spreading information to the citizens in the watch is stressed. As incidents or issues arise in the village, these are explained to them and then the Captain in turn forwards information to residents in their watch. The neighborhood watch is the police department's eyes and ears.

Currently, there are 4 Neighborhood Watch Groups and meetings are set up as needed to discuss upcoming concerns that change seasonally. Recently it was put in the village news letter that residents that are interested can contact the Neighborhood Watch Police Officer, Senior Patrol Officer Gretchen Fehling for additional information.

Law Enforcement Explorer Program

During 2015, the Sleepy Hollow Village Board passed a resolution to encourage the Sleepy Hollow Police Department to start a Law Enforcement Explorer Post for the benefit of the youth, community and the police department. The Law Enforcement Explorer Program is the preeminent career orientation and experience program for young people contemplating a career in law enforcement or a related field in the criminal justice system. Its mission is to offer young adults, 14 (that have completed the eighth grade) and not yet 21 years old, a personal awareness of the criminal justice system through training, practical experiences, competition, and other activities. Additionally, the program promotes personal growth through character development, respect for the rule of law, physical fitness, good citizenship and patriotism. Law Enforcement Explorer Posts are sponsored by local, state and federal law enforcement agencies throughout the country. Law Enforcement Exploring is endorsed by numerous professional organizations, to include the International Chiefs of Police Association (IACP) and the National Sheriffs Association (NSA). Law Enforcement Exploring has been in existence since 1959 and is a well established and highly respected program that has served as a platform from which countless young adults have launched a successful career with local, county, state and federal law enforcement agencies.

All Exploring programs are based on the following five areas of emphasis: Career Opportunities, Life Skills, Citizenship, Character Education, and Leadership Experience. Law Enforcement Exploring fulfills all of these areas of emphasis in its mission to offer Explorers interested in a career in law enforcement the opportunity to:

1. Gain exposure to various criminal justice careers and to have positive interaction with law enforcement professionals. [Career Opportunities]
2. Obtain "hands-on" experience and awareness of the criminal justice system, thereby helping Explorers to make an informed decision on a career in law enforcement or a related field. [Career Opportunities]
3. Receive comprehensive career focused training that in many cases qualifies for academic credit (i.e. career education credit). [Career Opportunities]
4. Benefit from interpersonal growth through self-discipline, teamwork, challenging experiences, and high standards of performance and personal conduct. [Citizenship, Character Education]

5. Enhance character development and improve physical and mental fitness. [Character Education, Life Skills]
6. Learn responsibility to self and others through leadership. [Leadership Experience]
7. Serve their community by assisting their sponsoring agency in a supplementary law enforcement and liaison capacity. [Citizenship]

Nationally, over 33,000 Explorers and 8,425 adult volunteers participate in Law Enforcement Exploring. The Sleepy Hollow Police Department is proud to now be one of those participating departments.

The program is being coordinated by Officers Naveed Bhatti and Kevin Forrest from the Sleepy Hollow Police Department

Conclusion

As you can see from this report, the men and women of the Sleepy Hollow Police Department have made significant progress on meeting the mission and goals of the organization. In general for 2017, Crime stayed the same, Officer Activity increased, Enforcement Activity increased and unfortunately Traffic Accidents increased.

While we are proud of our accomplishments, there is still much to do. The Sleepy Hollow Police Department has set an ambitious list of goals and objectives for 2018. While we are confident we can meet these goals, we certainly cannot accomplish them without the support of the community and Village Officials.
